

Letterpress Young Reader Interviews

AN INTERVIEW WITH COOPER (aged 7)

Q1. What are your earliest memories of reading books – do you have a particular book you remember from that time?

I used to read a book called 'The Little Engine'. The train used to get to the top of the hill and have a race with a big cargo train. They helped each other to deliver all the presents at Christmas. I was about three or two and loved it.

Q2. What are your favourite kinds of books now?

I really like The Diary of the Wimpy Kid. I first got the mini version with a World Book day £1 Book token. I also like Lego City books because I like lego. I also like the Tree House Story books because they are funny - especially the one with the shark room.

Q3. Have you got a favourite author (or two)

I don't have a particular favourite author I do like Roald Dahl, David Walliams and Andy Stanton.

Q4. How often do you read? Is there a favourite time when you like reading best?

At school every day of course and about twice every night at home. I normally read one little book and then one or two chapters from longer books.

Q5. Are you hoping to build a book collection? How many have you got and what's your prized possession?

I have quite a few books already and want to try to collect the Wimpy Kid books and I already have all the Tree House books.

I think you should read books because once you get into it, it could be great - you just have to find the book for you.
